

# The COVID-19 certificate

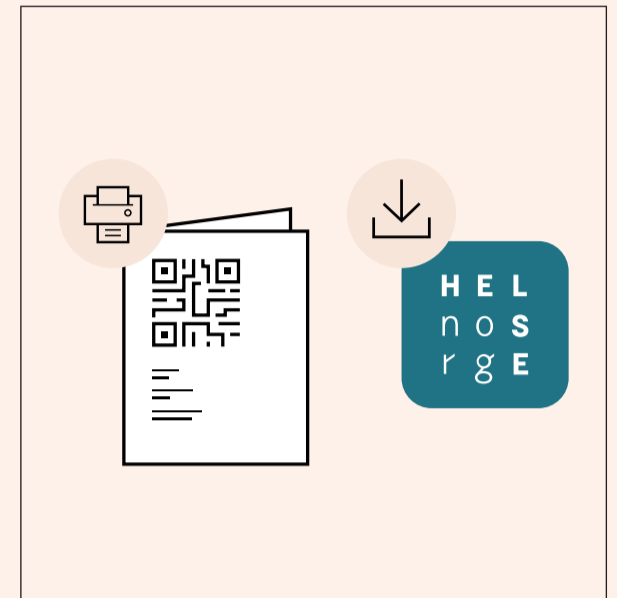

## How to use the COVID-19 certificate in order to visit other European countries

1. Going on holiday in Europe?

2. Check whether you have a valid COVID-19 certificate at Helsenorge.

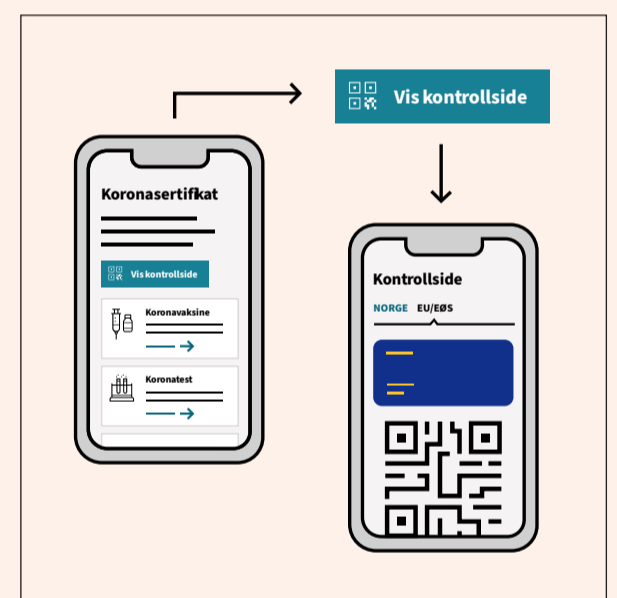

3. If you want to be able to view your certificate without internet access, you can download a copy onto your phone or print it out.

4. Familiarise yourself with the rules of the country you intend to visit.

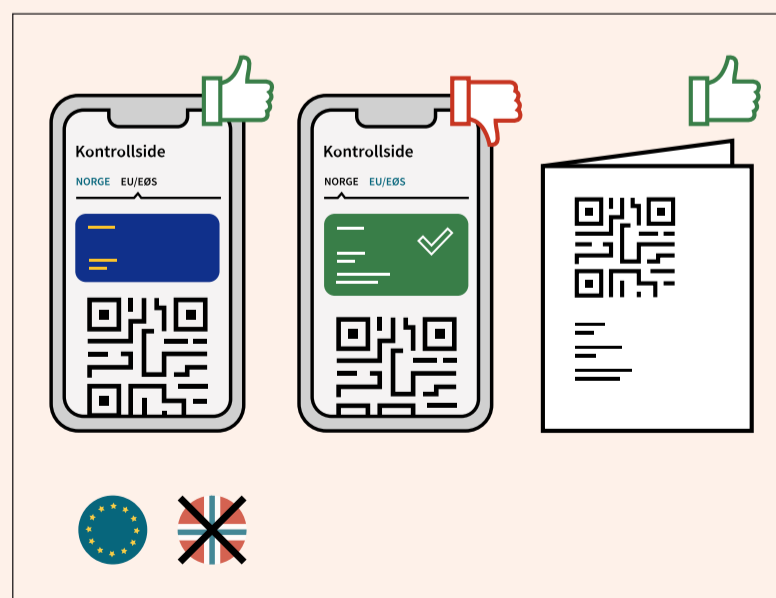

5. To avoid queues...

... find your certificate before you reach the border checkpoint.

6. The official will scan the QR code on the control page of the COVID-19 certificate.

7. Use the control page for the EU/EEA.

Have a nice holiday!
